## Internship

Teachnook

Web Development - 01/12/2022 to 31/01/2023

Through this internship I learned what is HTML, CSS and PHP and how it works. I learned how to use functions and methods and implement on my website. We created our websites and we added API connection to our website. I did a lot more.

## ACADEMIC ACHIEVEMENTS

Participated in Campus Recruitment Training Program organized by college
